Dear Sir/Madam,

I would like to take this opportunity to thank you for participating in the World Invitational Open-air Sculpture Exhibition and for entering such a marvelous sculpture. The Olympic Sculpture Park which is the first attempt of its kind made in Olympic history was opened to the public on September 12, 1988 and has received favorable responses from both Korean and foreign visitors.

In line with the various events to be held before and after September 17, 1989 to commemorate the first anniversary of the Seoul Olympic Games, the Seoul Olympic Sports Promotion Foundation plans to produce and install by September 10, 1989, small placards explaining the sculptures exhibited in the Olympic Park so as to help the visitors of the Park understand the sculptures.

Therefore, we would appreciate it if you could send us a short explanation of your sculpture (1 page, A4 format) to the address below as soon as possible. The explanation should consist of the motivation behind the sculpture and the technique involved and it should be in English.
