Dear Mr. Camargo!

Being in a hurry, and very short of time, I beg to excuse my writing in English instead of Spanish.

Please receive enclosed 2 agreements: one for the County Hall of Sør-Trøndelag, Trondheim, and one for the City Hall of Steinkjer.

The County Hall agreement is accepted by our executive committee, and we need only your signature to make it valid.

I enclose 2 copies and beg to have returned both of them with your signature. As soon as the signed agreements are received, I will have one copy signed by the county governor of Sør-Trøndelag and forward it to yourself.

The agreement as to the City Hall of Steinkjer has not yet been accepted by the builder of the County Hall, but will be put on for discussion Wednesday 2nd May 1973, it is the day after tomorrow. It is, however, important to have your signature to the agreement, and I enclose 2 copies and beg to have returned both of them with your signature.

I sincerely do hope I shall succeed pulling through the agreement at the meeting 2nd May. My proposal to the executive committee is to enclose your fee as a part of the building expenditures and do the same with the execution of your works. This will facilitate matters.

Looking forward to receiving your signature to all 4 copies enclosed,

I remain

yours sincerely

*my amigo*
