Dear Mr. Camargo,

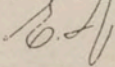

I have sent you 3 letters of which the one dated 25 January 1977 was returned from the post office in Rio with a note that you had "partir" and that your new address was unknown.

I spoke with my friend, Mr. Gromholt, over the phone today, and he told me that he had just got your new address. I therefore hasten to send you copies of my 3 letters.

I do hope that I shall now succeed in receiving an answer from you, and remain

yours sincerely
