

38, Archbishops Place
London SW2

Dear Sergio,

Here are 3 photos of the installation
at the Hayward Gallery. You should receive
a catalogue by now.

I hope you're well. We all miss you
here. There were many stories that you were
coming to London.

Tunga's and Aldo's shows in Europe have
been very significant. They should lead to the opening
of more possibilities.

Very friendly good wishes, Sergio,

Guy
