Dear Sergio de Camargo,

Please find enclosed the transparency which you were good enough to send me some years ago for Whales: A Celebration.

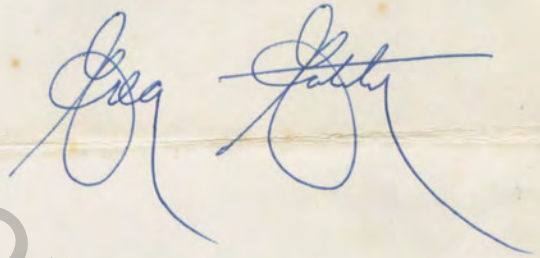

I trust that by now you have received your copy of the book and and pleased with the results.

It will be some months before the royalty statement arrives, but I am told by the publishers that the sales are moderately good. I enclose a sampling of the press reviews for your files.

Thank you again for your patience with my editing, and for your faith in the project and the whales.

Cordially,

Greg Gatenby
