Cher Sergio,

Peter is back from New York and told us that he had seen you there in great form.

I presume that you went to New York after or before Mexico and Venezuela. Did you hear some news about a possible exhibition of yours in those countries and is there any news about the shipment of the works in storage.

As you have been travelling you may not have had the storage bill that I sent you, asking you to pay the storage firm direct. I enclose a copy.

Do let us know what is happening.

Looking forward to hearing from you.

Yours sincerely,

Catherine

Gimpel Fils.
