

ROBERT RUSSELL ROSS

ROBERT RUSSELL ROSS  
The house is a prime example of the International Style, characterized by its flat roof, white walls, and large windows. The design emphasizes the connection between the interior and the exterior, with the house being almost entirely glass. The house is situated on a hillside, and the surrounding landscape is filled with trees in autumn. The house is a masterpiece of modern architecture, and it has become a landmark in the history of the International Style.
