Dear Mr. Camargo:

We are most pleased to learn that you will be coming to the States at the time of the LASA meeting in Houston, and that you and Mrs. Camargo will be spending a few days in Austin.

Our galleries are jammed full at that period, but we would be most interested in having a chance to talk with you and perhaps to get some informal discussion going with other artists here. In addition to our regular faculty, Fernando de Szyszlo will be here from Peru for the fall semester. Also, Kazuya Sakai will be teaching in nearby San Antonio.

I was in Rio this summer for a quick trip but didn't know where to locate you. I now see from your address that I was not far away.

We look forward to your being here with much pleasure. When you know your schedule, do let us know so that we may assist you with reservations, that being a busy time of the year for our hotels and motels. As an added note, we will have an exhibition of recent American painting in one of our galleries until September 25, which may be of some interest. With cordial good wishes.

Sincerely,

Donald B. Goodall
