MEMORANDUM

To: Peter Gimpele

From: Joy Edwards

Camargo

Enclosed is photograph of relief No. 198 which is hanging in the gallery and in good condition.

Accounts - We agree that you should credit relief No. 216 for \$650.00 to Camargo in London.

We note that some of the reliefs will be returned to the artist. It is disappointing that the paint seems to peel so badly here. We have written him about this but have no reply. We will try again.
