Dear Professor Serpa:

At the request of Mrs. Theodore Plowden,  
(Suzanne McCullough), I am enclosing some  
clippings of the childrens Art Festival held  
here April 29 to May 10. We hope that you will  
enjoy them.

The work made an interesting contrast with  
that of the Israeli children, and the exhibit  
was well attended by both children and adults.

On behalf of the Silvermine College of Art  
and Mrs. Plowden, who sends kind personal re-  
gards, please accept our thanks for your kind-  
ness in making the exhibit possible.

With all good wishes for the continued  
success of your museum and your program, I  
am,

Yours truly,

Ann Bridgman
