Dear Mr. Serpa:

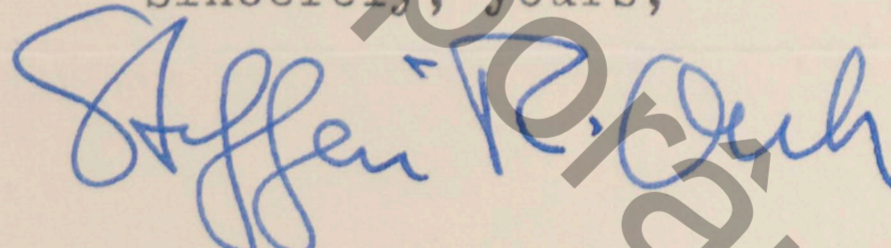

It was a pleasure to make your ^{conhecido} acquaintance in Rio.
My wife likes your work very much, and I am sure we will
have some more of your work.

About 2 weeks ^{ago} I sent a ^{pacote, embrulho} parcel with oils to you.
I was told it will take about 5 weeks to arrive in Rio.
I hope that it will be in your hands by Christmas.
In the parcel are also some pigments which can be used as
crayons, or diluted and dissolved with turpentine and used
as oil paint. ^{tercintina}

I will try to send you a catalogue of artists material,
from which you can select what you need. After you have selected
I will order the things for you.

With our best wishes

Sincerely, yours,

Steffen R. Oech.
