Cher Sergio,

Thank you for your letter of August 29th saying that the problem of the insurance was solved

I hope that you will be able to go to Mexico and Venezuela and that some decision will be taken there for the remaining lot of your sculptures still in storage in London.

I am enclosing the bill and would be grateful if you could pay for it direct, as you can see storage is quite expensive!

As soon as you know please inform us to where you would like to have the sculptures shipped.

The catalogue of your exhibition in Sao Paolo looks very nice and we were all please at the gallery to see that nothing had remain in Italy as there are such risks.

With kind regards,

Catherine

Gimpel Fils.
