Dear Friend:

After sending my letter, I recalled that you told me in Paris that you know an Italian printmaker called Pomodoro. I wonder if it is the same man as the sculptor, who also makes prints and who is, I believe, under contract for his sculptures with the famous Malboro Galleries. I believe the initials of his first name are G. O., but I am not certain. If you could find the way for me to reach Mr. Pomodoro or the person who publishes him, as well as any other good Italian printmakers, I would be most grateful.

Best regards,

Gilles A. Abrioux
