

Gimpel Fils

8th January, 1975.

Dear Sergio,

We were all distressed to hear of the loss of your little baby and we want to send you our sympathy and our condolences. You mention that you are both feeling a little better but of course we do understand that it has shadowed your life and the first joy of being back in your own country.

Please tell your wife that we wish you both for the New Year much happiness and good fortune.

Yours

*Kay*
