Dear Monsieur Camargo,

I thought your work in the Paris Biennale was really beautiful. I was sorry not to have seen you but I was only there for a day. Everyone who comes here likes your two works very much and I, too, am absolutely delighted with them.

I wonder whether you would be kind enough to forward the enclosed letter to Soto. As you know, I have been having trouble getting my works back from Signals and there are one or two things I want to find out from the artist.

Thank you, and all best wishes.

Yours sincerely,

David Talbot Rice
