Gentlemen,

The Delaware Art Center of Wilmington, Delaware is organizing an exhibition by Latin American artists for the months of March and April 1968. I have been requested to be the Chairman.

Rather than include all the Latin American countries the show will attempt to cover some of the more representative young artists of today. Enclosed you will find a tentative list of artists still subject to change. We would appreciate it very much if you could give us your suggestions about the list and specially on whether in your opinion we are omitting some important names or including less important ones.

Also we would be most grateful if you could let me know where in the United States we could borrow some recent and representative works by Dias, Pizza, Camargo and Caribé.

Insurance and transportation to Wilmington and back would be paid by the Delaware Art Center. We made similar arrangements in 1965 for our exhibition of painters from the Ecole de Paris. The Knoedler, Sainenberg, Rosenberg, Loeb, Matisse and Kootz Galleries of New York City contributed paintings at the time.

We will be looking forward to your answer to our request and would be most thankful for any help you could give us for the exhibition.

Sincerely yours,

Dr. H.E. Bergna
