Dear Mr. Serpa:

Just received a letter from Fala Lemos in which he asks me to write to you directly. As you know I am interested in your paintings. Arlindo Mesquita is in Brazil already and I did ask him to contact you about a painting, and if you would give it to him it will reach here much quicker without any red tape.

I am very anxious to receive your painting as I feel it will be the beginning of a fine mutual business relationship.

Yours truly,

Philip Treitel
