Maison de l'Unesco ● 2, place Fontenoy, Paris VII ● Téléphone : SUffren 86-00 ● Cables : ICOM Paris

Numéro à rappeler dans la réponse :

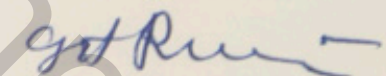

Votre référence :

August 7th, 1961.

Mr. Servulo Esmeralda has been entrusted with the task or organising the art museum of the University of Caera, Brazil.

He is on a study trip in Europe in order to see in various museums the latest developments in this connection.

I would like to recommend him to these museums and the competent authorities.

Georges Henri Rivière,
Director, ICOM.
