

Haiku poetry is one of the several arts that is practiced in Japan. The reader may have many different interpretations of the same poem. In this illustration the designer used the magic of Day-Glo\* for a visual translation.

Ideas with dimensions . . . require a color with extra strength and extra impact. Day-Glo introduces a new medium with the clean, bold stroke of fluorescent color. Practical, too . . . whether you specify lithography, letterpress, gravure or silk screen. So when you want to make a good illustration better . . . Go Day-Glo. □ For more visuals that show the versatility of Day-Glo, send for press sheets. You'll see how Day-Glo goes for fashion . . . for industrial use . . . for food . . . for abstract design. (Crocker Day-Glo paper is also available.) Free, of course, by writing to Day-Glo Color Division, Switzer Brothers, Incorporated, 4732 St. Clair Avenue, Cleveland, Ohio 44103.

Printed one impression with Arc Yellow, Rocket Red, and Black. \*DAY-GLO is the registered trademark of Switzer Bros., Inc.
