Dear Mr. de Camargo :

We would like to express our gratitude for the loan of your works to our exhibition "Arte Latinoamericano Contemporaneo y Japon" which was held in the autumn of 1981. It was a pleasure to have your works among the exhibits. The exhibition was the first of its kind in Japan showing the trends of contemporary art in Latin American countries in a large scale and it was favorably received both by the critics and general public.

Our appreciation should have been sent to you long before this and we hope you will accept our sincere though belated thanks for your cooperation. With best regards,

Sincerely yours,

Keinosuke Murata

Chief Curator
