Dear Mr. Camargo:

Thank you for your letter of November
18th.

I would very much appreciate it if you
will let me know if there was any damage
done. If so, I would naturally like to
have a refund of \$500.

If not, I would like to have the piece
sent as soon as possible, but of course,
the least expensive way.

Please let me hear from you as I will arrange
insurance from this end.

With kindest regards,

Sincerely yours,

Robert B. Mayer
