Dear Mr. Esmeraldo,

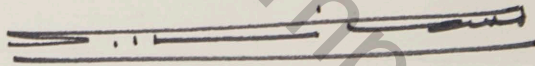

I have seen your work and find it very interesting.

The objective of the Petite Galerie is to present to the South Florida area a group of the most predominant artists throughout the western hemisphere.

This year you, among twelve artists, have been chosen to exhibit at this gallery. We hope that you will accept and return the questionnaire as soon as possible in order that we may have the information necessary to proceed.

With the hope of hearing from you very soon, I remain.

Sincerely,

Sacha Thébaud
