Dear Mr. Esmeraldo:

Enclosed is a check for the sale of your prints,  
"Marais" and "Fossile".

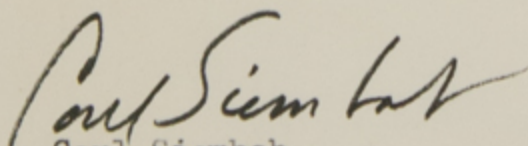

I'm sorry I have not written sooner. In the course  
of business, some things are handled quickly, some  
are not. Correspondence seldom gets out on time.  
In the meantime, the passing of days turns into months  
and, understandably, those of you who expect some word,  
lose patience.

Our mutual good friend Bertrand Dorny, has reminded  
me several times of my negligence. Please do not  
blame him for my irresponsible behavior. I would not  
want him to lose your friendship because of it.

I do want to thank you for being patient with me and  
for sending your prints which were and still are,  
critically well received. With your permission, I  
would like to hold them in the gallery for a longer  
period as there is always a possibility that some will  
be sold. Whenever I have a group exhibition, I include  
your prints so you may be assured that your work is seen  
by the Boston public.

With my fondest regards and great appreciation,

Sincerely,

  
Carl Siembab
