Dear Mr. Camargo,

I refer to your letter of November 10th 1967 where you tell me that you have got a new address and that your relief "Hommage à Fontana" doesn't belong to any more. I received your catalogue from your exhibition in Genova, and today I received your catalogue from your exhibition in Zürich and the one which is to be arranged in London.

I am coming to Paris Monday 18th March at about 14.00 o'clock and stay at Hotel Continental, 3 rue de Castiglione. I have a little shopping to do, but would be able to meet you, say at about 18.00 o'clock. I might be interested in your relief "Léno", 40 x 40 cm, made in 1966, and of which there is a photograph on the page in the middle of your catalogue from Galleria la Polena, Genova. I might also be interested in your relief 191 from your catalogue at the Zürich exhibition - even your relief no. 182 from the same catalogue. In case, I might also be interested in your relief no. 195 at the Zürich exhibition.

In case you are at home when this letter arrives, please send me a few words, which should be in my hands latest Saturday 16th March. If this is not possible, I hope you can leave a message at my abovementioned hotel in Paris.

Looking forward to meeting you, I remain,

Yours sincerely,

Kjell T. Evers
