

NEW YORK, May 21, 1986

Dear Barbara

I am sending you the report and photo documentation required. I would appreciate if after seeing it you could send it to Rio, as I am supposed to present a report to Fulbright Capes Commission as soon as I arrive in Brazil. Please keep me informed about it. As I mentioned to you in our last telephone call, my presence in Rio, at FUNARTE, is extremely necessary in the beginning of June 86, as both President and Executive-Director have been changed last week. I thank you once more for your understanding and collaboration during my stay in The United States,
Sincerely

Iole de Freitas
