Dear Carla

Thank you for your letter. I am glad I finally found you. My experience in New York was not the best. I am glad to hear you are interested to work with me. I am glad to hear you are interested to work with me.

She is a very young artist who has travelled from Winnipeg Art Gallery in Winnipeg, Canada to Museu de Arte Visual Alejandro Otero in Caracas, Venezuela and to Luis Arango, Bogota, Colombia.

Now the show is going to Ottawa, Canada and she will go there for a lecture on February 19th.

On her way back she will pass by New York between February 19th.

On her way back she will pass by New York between February 22nd and 28th and this show will go to the Bronx Museum next Spring.

While she will be in New York I'd appreciate if you both could meet together because I am sure you will be enthusiastic about her work.

Looking forward to hearing from you.

All the best to you and your husband.
