Mr. Ivan Ferreira Serpa,
Rua Juruviara IO4,
Meyer,
Guanabara,
Brazil.

Dear Mr. Serpa,

Our research department has gone to great lengths to compose a list of the 1,000 most important living artists, architects, and antique dealers in the world today. These are the people who must be included in our book to make it a truly excellent reference volume in the art and antique field.

Your name is on that list and, obviously, we are anxious to obtain the biographical information required to compose your entry. We have had no response to our first questionnaire and would be most grateful if you would take a few moments to complete and return the second questionnaire enclosed. There is, of course, no charge for inclusion in this book, nor are you under any obligation to purchase a copy of the book.

This information is urgently required by my department and I would appreciate it if you would give this your immediate attention.

Yours sincerely

B. Lalonde (Miss) Head of Research
