RACCOMANDATA  
ESPRESSO

Dear sirs,  
by order ~~for~~ and for account of Prof. Sergio De Camargo, we made inquiries with the international transport company Gondrand to send you n. 8 marble works.

The most fast transport is that by lorry with starting point Firenze once a week; delivery in London 4 or 5 days.

It isn't possible to ship because the regular service line from Livorno has been suppressed and the S/S sail a time every 30/40 days.

The Gondrand for this transport demands:

Lit. 210.000 Firenze - London for weight 3,5 Italian Ton. (Lit. 60.000 for Italian Ton.)

Lit. 20.000 customs expenses

Lit. 35.000 Massa - Firenze for weight 3,5 Italian Ton.

---

Lit. 265.000 Total.

This amount doesn't include the insurance expenses; if you want we shall effect an insurance on your application stating the agreed valuation clause for the works.

Awaiting to hear from you, also by cable, in order to begin the sending, we remain

yours faithfully

LINA PELLEGRINI SOLDANI

P.S.

Please, if you want to phone, speak in Italian.
