Dear Mr. SERGIO DE CAMARGO,

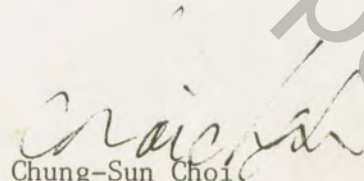

I truly appreciate your contribution to the International Open-Air Sculpture Park.

Regarding the round-trip air ticket to visit Korea during the Seoul Olympic Games, thank you in advance if you return that ticket for the reason of the expiration of the SLOOC air transportation contract.

I would like to also remind you that any air tickets can't be repaid or transferred to another person.

With sincere gratitude for your cooperation.

Sincerely yours,

Chung-Sun Choi
