Dear Mr. Zucker,

I do hope you have received my letter of March 17 and am awaiting your answer with great interest.

As regards Sergio Camargo, the sculpture you liked has been sold and I have no more for the time being. But you can contact Camargo directly writing to him to:

Gimpel Gallery
1040 Madison Avenue
New York, N.Y. 10021
U.S.A.

where he will exhibit after May 6. He tells me that he will have no difficulty in sending you one of his works from Paris, when he will be back there. Or perhaps you will see his exhibition at Gimpel Gallery and will meet Sergio at this opportunity.

You will find enclosed a photo of Vicente Forte's "Mesa con objetos"- (38' x 64') (1960). Please return me this photo when no more needed, as I have no other.

With my very best regards.
