Dear Mr. Camargo,

Thank you for your letter and for your receipt for the F. frcs 6000. - being the amount due to you for the relief which Kommunal Landspensjonskasse - KLP - bought from you and which has arrived safely and is at the moment on exhibition in Kunstnernes Hus, Oslo together with works of Vasarely, Cruz-Diez, Soto, Le Parc and others.

I have today ordered my bank, Bergens Privatbank, filial Stortingsgaten, Oslo, to transfer to your bank in Paris and to your account in same, the amount of F. frcs. 6000 -, being the price of above mentioned relief.

Hoping that my bank and your bank will have a greater success this time than the last time, I send my best wishes and hope we will have the chance of meeting either in Oslo or Paris some time. Looking forward to this, I remain,

Yours sincerely,
