Dear Sergio

Thank you for your letter of August 11th. I would have thought that my two last paragraphs were quite clear. As I have often discussed prices with you and complained to you that I was never consulted.

Our relation over prices has always been good as it has always been very one-sided. In the end I have always had to say yes to the price you had made.

I have two reliefs in the gallery which I am willing to buy. These are reliefs 293 and 297, 100x100cms each, price to me \$700 each. I am willing to pay you \$1200 for the two. Let me know if you are agreeable to this and I will send you the money. (I won't pay you in devalued dollars)

Yours sincerely
