Dear Marquis Biographee:

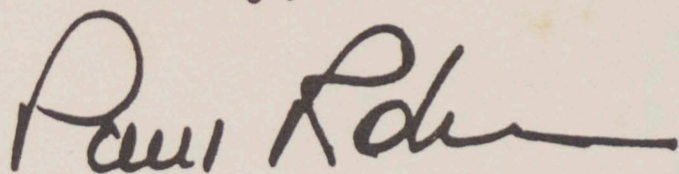

According to our records we have, as yet, received no reply to our request for verification of your data for the forthcoming, Third Edition of WHO'S WHO IN THE WORLD. Therefore, we are taking this opportunity to request, once again, your assistance in the compilation of this important reference book.

The new, Third Edition is now actively in compilation. To ensure the complete accuracy and currentness of this essential biographical directory, each sketch must be personally verified by the individual biographees. Therefore, we most urgently request that you read your sketch carefully, make any necessary corrections or additions, and return your verified sketch in the enclosed envelope, whether or not changes have been made.

As is the case with all Marquis Who's Who publications, there is no cost or obligation involved in complying with our requests for your assistance. We need your cooperation to maintain our high standards of timeliness and accuracy. To show our gratitude for your valuable cooperation we offer you the opportunity to purchase the Third Edition of WHO'S WHO IN THE WORLD at pre-publication terms reserved especially for biographees. Although the Third Edition of WHO'S WHO IN THE WORLD lists for \$52.50, as a biographee you are entitled to obtain it for \$39.40, when payment accompanies your order, or \$44.60, if you prefer to be invoiced on delivery. For your convenience in ordering, we have enclosed a form that you may use to reserve your copy at the biographees' preferential discount price.

Thank you in advance for your attention to these matters.

Sincerely,

Paul Rohe
Editorial Director

P.S. When purchased for business or professional reference use, WHO'S WHO IN THE WORLD is a tax-deductible expense.
