REF: SERGIO CAMARGO EXHIBITION

Dear Ms. Gimpel:

I'm writing to you regarding the Sergio Camargo Exhibition, that will be held in this Museum in the month of June.

The Museum of Modern Art in Medellín is also interested in having the show and wants to find out if this would be possible.

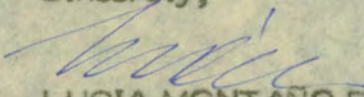

In recent conversation with the artist he told us that the insurance value should be 50% of the sales price.

It would be very helpful if you would please send us the itemised list of the works, so we can proceed to make the importation licence. The works should be sent by plane.

For the catalogue we need a curriculum of the artist and some photographs in order to design and print it. We would also like to know if you can send them to us, or if we have to contact the artist.

Looking forward to hear from you soon, we remain,

Sincerely,

LUCIA MONTAÑO DE SANDOVAL
Assistant Director
