Re: Banco do Brasil, SA

Dear Mr. Camargo:

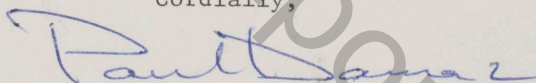

Enclosed please find three copies of the Agreement, between you and the Banco do Brasil, S.A. for the execution of the three wood relief panels. Please return two signed copies to this office.

This Agreement was drafted by Mr. Miranda's attorney, but you must not be worried by its wording, in particular regarding paragraph 2. It is Mr. Miranda's opinion that the model has already been approved in its conception. However, I would like to see a larger scale sketch of the three panels together, showing their basic design (areas in relief and areas left empty), and how they relate to each other. Do not wait for our approval to start fabricating the frames and the material.

Upon the return of the signed contracts, a check for \$4,000.00 will be sent to you immediately.

With my best regards, I am,

Cordially,

Paul Damaz
