

THE INTERNATIONAL WHO'S WHO

1974-75

The 38th annual edition of *The International Who's Who* is now being prepared for publication in mid-1974. Once again the publishers invite those whose biographies appear in the book to bring their entries up to date for the new edition. The entry is enclosed on the inside of this folder.

In order to avoid the possibility of any inaccuracies appearing in the new edition, we should like to suggest that all additions or corrections should be made in *block capitals* or *typewritten*.

It cannot be too highly stressed that the completion and return of this proof imply no obligation whatsoever. The publishers would once again like to express their sincere thanks for the past and present co-operation of those whose biographies appear in *The International Who's Who*. We would, however, like to emphasize the necessity for proofs to be returned without delay since only in this way can we be certain that every entry is as up to date and accurate as possible.
