Mr. Sergio de Camargo
23, Av. Pasteur - 92 Vanves
France

Dear Mr. Camargo:

As yet, we have heard nothing further regarding shipment of our white Relief which we purchased from you at the Biennale. I did receive your letter of November 18th.

Frankly, however, I don't understand why the Relief has not been shipped. Everything else that was purchased at the same time, has been sent.

I will appreciate an immediate reply.

Sincerely yours,

Robert B. Mayer
