London W 1

Dear Sir,

I head that two of my "Reliefs" are in consignment in your Gallery, coming from the liquidation of Signals London.

As you may not be aware of it, I wish to inform you that one of them - the smallest one - belongs to Mr. David Medalla, to whom I gave it as present.

As to the other one, it belongs to me, and I would appreciate your keeping it until I can take it back when coming to London.

Thanking you in advance.

Yours sincerely
