Dear Sr. Serpa,

I am very happy to have had the opportunity of meeting you during my brief stay in Rio. I saw some of your recent works at the Museum of Modern Art. Although I am interested in your new direction, I prefer your earlier style. Of course, this is only my personal opinion and the final selection for the forthcoming exhibition, CONTEMPORARY PAINTING IN BRAZIL, in which your work is included, is up to you and Carmen Portinho.

We would like to have about three to five of your paintings. Also, could you please send us your biography and photographs of yourself and works, as soon as possible. We are anxious to begin organizing our catalogue and time already begins to grow short.

We will do our best to promote your work and to introduce your paintings to knowledgeable collectors in this part of the country.

Sincerely yours,

Kiko Kung
