Dear Mr Iino,

I've just talked to Oyota who arrived yesterday from Japan. He told me that you would write me soon about your intention of realizing a personal exhibition of my works next year. As soon as I have already two exhibitions settled - one in Paris (Galerie Bellechasse) between January 15 and 30, and the second in London (Gimpel Fils) in May, I would be very grateful if you could inform me what date would be the better for you. This would allow me to organize my work and decide if the works will be sent from Europe or Brazil. If possible, please send me a plant of the place where the exhibition will be realized and some photos. As soon as you know almost all my works, it will be easy for you to tell me the number of works and the sizes you would prefer.

Awaiting for your reply, I remain, dear Mr. Iino,

yours truly
