Dear Mr. Camargo,

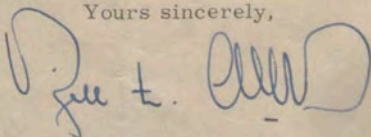

Some time ago you had an exposition in Gallerie Europe, 50 Fb. St. Honoré, Paris. At this exposition you had one work called Hommage à Fontana. I could be interested in buying this one directly from you in case it is still available and in case we can discuss the price. When buying directly in Paris I usually get a discount of 20 % and even more.

Tomorrow afternoon I leave for Paris and will stay at hotel Continental, 3 rue de Castiglione. My wife and I would be free for visiting you either Friday 20th after luncheon or Saturday 21st October in the morning.

Please leave a message for me at hotel Continental, where I have booked room no. 44.

Looking forward to seeing you in Paris, I remain,

Yours sincerely,
