My dear Mr. Fox
Sept 21/95
Now that we have all these works belonging to the ship going to Rio, Canada we ship them as one shipment to you. Care of Frank and who are clear of customs. We have Frank deliver the first you want to your place. The other to the Museum. If we send them as a shipment there is a greater cost for Customs and delivery. If that is OK with you I will try and ship them next week.

*I await your word.
Thanks
Maurice Fox*
