Dear

Servando Esmeraldo

The Pratt Graphics Center will prepare an exhibition of work selected from the 1st International Biennial of Latin American Graphics, San Juan, Puerto Rico.

I am delighted to inform you that we have made arrangements with the Biennial Committee to circulate your print *Projection*

Our Center will frame and insure your work and return it to you upon conclusion of the show which we expect to be in January, 1972.

It gives me great pleasure to state that as of this date ten universities have made arrangements to receive this exhibition. I shall also attempt to have the exhibition shown in New York City some time in 1971.

I wish to congratulate you on your fine print which I observed at the Biennial and which I will see here again in New York before the show begins its tour.

Sincerely yours,

A Stasik
