The architectural sketch depicts a modern building complex. It features a large, curved, white-walled structure that forms a prominent arch or wing-like shape. To the left of this main arch, there is a vertical rectangular volume, possibly a tower or a smaller building. A diagonal line extends from the base of this vertical volume towards the bottom left corner of the image. In the center, there is a more complex, multi-faceted volume with multiple levels and what appears to be a glass facade. The overall design is minimalist and geometric, emphasizing light-colored walls and sharp angles.
