Dear Mr. de Camargo

Thank you very much for your participation to our exhibition
'Contemporary Latin American Art and Japan'.

During the making of catalogue, we put the black-and-white
photograph of your work 'Estructura 524' which you sent us
for this purpose. However, after arrival of the above work
on September 26 and checking with the actual work, we have
found out that the photograph you sent was in reverse, but
then it was too late for correction. Therefore, we printed
later the correct plate of your work to be inserted in each
catalogue. We hope you will understand the circumstances.

Two catalogues have been dispatched to you on November 20
by sea mail with our thanks.

With best regards,

Sincerely yours,

塩田昌弘
