Dear Shr. Camargo,

LATIN AMERICAN ART

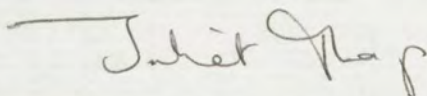

I know that you have been in correspondence with Susan Brades of the South Bank Centre in London regarding this major exhibition of Latin American Art to be held at the Hayward Gallery in London next year.

I have been passed the correspondence as I am collecting the illustrations to be reproduced in the catalogue to go with the exhibition. As she explained in her letter of 8th August Guy Brett would like to include with his essay a photograph of you in your Paris studio and three or four photographs of the monumental sculptures you have done for architecture - walls - in Brazil.

I would be very grateful if you could let us know as soon as possible if we can have permission to reproduce these in the catalogue, and also if you could let us know if you are able to provide us with photographs of these pieces. Production of the catalogue is now under way and it is necessary to collect all the illustrations as soon as possible.

I hope you will be able to help us with this request and I look forward to hearing from you soon.

Yours sincerely,

Juliet Thorp
Picture Researcher
