Dear Mr. Camargo,

It is sincerely hoped that this finds you fine, enjoying excellent health. Thank you very much for a wonderful copy of your selected works bearing your personal greeting and autograph you kindly sent to me.

I am very happy as the book impresses me greatly, convincing me that you are assiduously pursuing your true and aesthetic integrity. One thing I must say with regret is the fact that I do not understand the articles written in Portuguese. I wish I were able to read them, which I am sure must be wonderful. Your book will be treasured in our library for a long time to come.

With heartfelt gratitude and all best wishes, I remain,

Yours sincerely,

Kiichi Iino
