Dear Senhor de Camargo,

I am very interested
in your work and I should like to buy one or
two sculptures when I visit Brazil next Sep-
tember. Would you be kind enough to let me
know whether I can buy the pieces directly
from you.

I am a Spanish architect practicing
in Munich and Caracas and I am a friend of
Gonzalo Fonseca.

You may answer in Portuguese.

With kindest regards,

Yours sincerely,

Juan del Vayo
